

29th January 2021

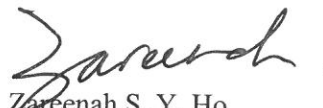

Dear Parents/Guardian,

In view of the latest Covid-19 situation in Hong Kong and for safety of all students, we have decided to shift to on-line teaching mode for S.6 student from Feb 1 to Feb 10, 2021.

For S.1 to S.5 students, the examination from Feb 1 to Feb 10 will be cancelled. But the examination papers will be distributed to students. All students are required to complete the papers and return to the respective subject teachers as per subject teacher instruction. All the marks of these papers will be recorded officially and will be used for performance assessment. Students should finish these papers earnestly.

Please check school email and school website regularly for updated class arrangement.

Yours faithfully,

Zareenah S. Y. Ho
Principal
