

September 1, 2021

Dear Parents / Guardians,

Due to COVID-19 pandemic, our school will continue to have half-day face to face classes in September, 2022.

However, if 95% or more of the staff and students on the whole school have received two doses of COVID-19 vaccines, the Education Bureau may allow the school to resume full day normal school life.

That we would like to update the students' vaccination record as to make better planning for the classes and activities.

Kindly complete and return to following reply slip to the class teacher on or before September 5, 2022.

Yours faithfully,

Zareenah S. Y. Ho
Principal

School Notice 004 – COVID-19 Vaccination Record Update

(Please put a tick ✓ in the appropriate box below and reply on or before Sept 5, 2022)

My child has not taken any vaccination as of September 1, 2022.

My child received **ONE** dose of COVID-19 vaccine.
(Please provide the vaccination record to the class teacher)

My child received **TWO** doses of COVID-19 vaccines.
(Please provide the vaccination record to the class teacher)

I am not planning to arrange my child for COVID-19 vaccination for the time being:

Reason : _____

My child is not suitable to receive the COVID-19 vaccination. (Students must provide a medical report signed by doctor to school and the form can be collected from the school general office).
