1	Leadership Training	Sept -2023- Aug 2024	S1-S6	150	\$20,000.00	\$133.33	Life-wide learning extends learning beyond the classroom to other contexts, and attaches importance to learning in authentic contexts as it enables students to achieve learning objectives which are difficult to achieve through classroom learning alone. The knowledge, skills, positive values and attitudes that students acquire in experiential learning is important in developing their lifelong learning capabilities and fostering their whole-person development. In light of their school contexts, flexibly deploy the Grant to organise more out-of-classroom experiential learning activities in different Key Learning Areas (KLAs) and curriculum areas, so as to enliven and enrich the learning experiences of students to broaden their horizons, enhance their learning motivation and interest, and foster their whole-person development.
