Dear Parents / Guardians,

Please be informed that your child is selected to be the Youth Quitline Ambassador to do promote anti-smoking. We are arranging a training program and a shadowing activity for selected S5 students of Health Management and Social Care (HMSC) in March, 2024. The aim of this programme is to provide students with professional training and a field learning opportunity to know more about smoking and related anti-smoking services in Hong Kong.

Students can also use this experience to do their School-Based-Assessment (SBA) component of HKDSE. We hope you will encourage your child to participate in it actively. Details of the programme are as follows:
